For customer

- Present the voucher on the app to the merchant. Upon consuming the service, follow the "Click to redeem" process to redeem the voucher.
- In case you do not have the app, you can take a print out of the voucher and present the same to the merchant.
- If you have bought products which require delivery, you can ignore this. Your product will be delivered to you within the stipulated timeline.
- If you have purchased a travel offer on nearbuy, the merchant will send you a booking confirmation through email. A print-out of the physical voucher is not mandatory but it is preferred that you carry one at the time of checking-in.

For merchant

- If the customer does not have their phone, you can request for a physical voucher and redeem it yourself through the nearbuy merchant centre.
- If you are a merchant selling products, you can ignore this. The delivery process will take care of the redemption flow.
- If you are a merchant selling travel services, you can ignore this. The reservation process will take care of the redemption flow.
